

## School Uniform

School uniform consists of a bottle-green embroidered sweatshirt or cardigan, white polo shirt and grey trousers, shorts or skirt. In the Summer Term, green and white gingham dresses may be worn. Shoes should be of a sensible nature, for safety. **Children should not wear trainers.**

No jewellery is to be worn apart from a watch and stud earrings, if necessary, although we discourage the wearing of earrings. Earrings must not be worn for swimming or PE lessons and should, therefore, not be worn to school on these days. We recommend that ears are pierced at the start of the school summer holiday, if necessary.

Children should wear black shorts and a green T-shirt for P.E. Children will need trainers for outdoor P.E. and may wear track/jogging suits when the weather is cold.

Uniform must be ordered online at [www.yourschooluniform.com](http://www.yourschooluniform.com). Uniform can be sent to your home address at a cost of £3.99 per order. Alternatively, orders will be delivered to school once a month. There is no charge for this service.

Current prices (Feb 2017): Sweatshirt = £9.85, Cardigan = £10.55, Polo Shirt = £7.85, Book Bag = £7.80, PE T-Shirt = £5.50.

**We highly recommend that all pupils have a book bag** for the protection of school reading books and reading records and for the safe storage of homework and school letters. We advise parents to check the bag daily!!!

**All items of school uniform and equipment should be named.** (A 'name-tape' order form is available from the office.)

Coats should have a 'loop' for hanging on a peg. School bags should be small. P.E. kit should normally be kept in school, in a P.E. bag, at all times. We will send it home for washing at half terms.

We do not encourage children to bring toys to school, as they can get lost or broken. If your child *needs* to bring a toy, they may bring **one** small, 'pocket-sized' toy, but nothing that is too valuable, precious or breakable!!
