

## **2018 School Results Summary Unvalidated Data**

We are very pleased with our attainment and progress results. Our end of Key Stage attainment scores are all well above, above, or in line with, the national and Wiltshire average, with the exception of maths in Key Stage 1. In particular, we are delighted with the children's performance in reading, maths, writing and grammar, punctuation and spelling (GPS) at the end of Key Stage 2 and with the percentage of our pupils who passed the Year 1 phonics screening test. We are also pleased that in Y2 our Reading and Writing scores are 2% above National. Our Foundation Stage Profile scores are also well above average. Once again, these very good outcomes are the result of the hard work and dedication of all of the staff who support the children's education so well.
