

PUBLIC OPEN DAY

Sat 24 November '18

Welcome!!!! Come on in, take a look around, **meet the teachers** and senior dancers at ELEVATE. We're here to answer any questions you have about joining or dance in general.

Head down to our **chill out room** and watch ELEVATE's previous shows on DVD to get a feel of what we do. We will also be playing performances upstairs.

Tea and coffee available for parents in the waiting room.

Try a class – we have free tasters all day. Spread the word and see you there!

We have our merch out and t-shirt order forms for those who'd like to order an ELEVATE t-shirt or hoodie.

(When we are running the classes, we will close the dance studio doors, only parents of children doing the class can stay inside to ensure the class isn't interrupted. If you come to chat to a teacher, or wander around, make sure you pop in between class taster times.)

Parents must stay with children – no drop offs x.
